

LEGISLATIVE ALERT: February 19, 2013

The latest information from our ILBA Lobbyist, Raeleen Welton (Westerberg & Associates):

- H90: sent to the amending order with ILBA amendments attached. "The amendments we provided the House State Affairs Committee will make it abundantly clear that Quota System licenses are transferable, and Specialty licenses are not transferable." **ILBA Support**

- **RS22049**: approved to print. Will provide the Bill number when printed.
"The House State Affairs agreed to introduce a bill sponsored by Rep. Marcus Gibbs to allow Resort Cities to issue nontransferable licenses to restaurants. Passage into law of this bill would make the resale value of quota licenses in Resort cities like Driggs, Ketchum, Sun Valley, Lava Hot Springs, Idaho City, McCall, Sandpoint and any other city choosing to call itself a "Resort City" completely worthless."

- Here is a current list (and the link) of "resort cities" in Idaho. Again, **if this bill were to pass every Quota License in these cities would be worth nothing.**

- **S1074**: License to Retail Liquor made it out of State Affairs Committee 02/12, reported out of committee with Do Pass Recommendations; filed for second reading 02/19. This bill would amend existing law to revise a provision relating to the issuance of a license to retail liquor to the owner, operator or lessee of an equestrian facility. ABC informed Caldwell Night Rodeo that the current method of working with a caterer for their 3 day liquor catering venue was not acceptable. The current requirements state a facility must be at least 40 acres to apply for a specialty license; CNR is 25 acres.

- Sponsors: Senators Lodge, McKenzie, Rice and Lakey; Representatives Bolz and Perry
